Cars registered after March 1 2001 are classified into a range of bands according to their level of CO2 emissions, with cars in higher bands generally being subject to higher rates of road tax. The bandings were completely overhauled from April 1 2017, so that most cars registered after that date will belong to a higher band than previously.

The interior differences between a full fat M3 and one of BMW's lesser 3 Series M Sport models are quite subtle. You do get a sexy set of front sports seats and some M Sport coloured stitching on the door panels and steering wheel, but the biggest difference is additional buttons mounted to the right of the gearshift.
