The Diary of a Professional Experiencer is the sixth in a series of books written by Eric Morris. Unlike his other books, this is a very personal account of his frustrations and struggles as he strives to discover how the actor creates reality on the stage or in film. Though the style is autobiographical, this is, nevertheless, a book about acting.

A diary is a place where you record events, experiences and other personal things that interest you. You can write about whatever you like, free of outside judgment or criticism. It should be an extension of your mind: safe and free. A diary can be whatever you decide and should be a place where you can be honest. Why write in a diary?

What is a Diary and Why Should I Keep One?

My Personal Diary 23rd May 2017 It feels good today. Most of the activities done and the weather was good. I had enough sleep last night so woke up ready for all activities in the college. I was in the library quite early to finish up the many assignments given yesterday. The classes have been interesting with tutors covering much of the
