Merely said, the adcom gfa 555 ii service manual is universally compatible with any devices to read

Adcom Gfa 555 Ii Service

The ADCOM GFA-555 II is among the world's greatest audio power amplifiers of all time. The GFA-555 was designed by the legendary Nelson Pass (interview, chat room), whose amplifiers today sell new for five figure price tags. The GFA-555 II was designed from the ground up, except for the heat sinks and chassis, by Walt Morrey. Considering that you can get a used GFA-555 II like this one for about ...

Adcom shook up the market with its more powerful GFA-555 power amplifier designed by Nelson Pass (Pass Labs, Threshold, First Watt), but the \$300 GFA-535 may have been the better-sounding amplifier. The 60-watt GFA-535 was stable with difficult loudspeakers and once you let it warm up, it made beautiful music with warmer sounding loudspeakers.

10 Incredible Classic Audio Components That Still Sound ...

For equipment, I've tried Schiit Aegir monoblocks, an Adcom GFA-555 II, and a Parasound A23+. Overall, I liked the Parasound the most. The Schiit Aegirs sounded way too lean - not enough bass or midbass, and midrange felt like it lost steam at high volumes.
