Chem 223: Advanced Organic Reactions

I think this problem not only for me but most students are facing this problem. It has very deep concepts that you need to understand properly and clear your doubts. Only understanding the concepts is not enough for organic chemistry but also have to do practice regularly to be a master of organic. Therefore, you need a reference book for organic. If you are preparing for the exams like JEE and NEET then ADVANCED PROBLEM IN ORGENIC CHEMISTRY FOR JEE by MS Chauhan will be helpful for you.
