Continental Airlines Flight
Attendant Manual
Continental Airlines was a major
United States airline founded in
1934 and eventually
headquartered in Houston,
Texas. It had ownership interests
and brand partnerships with
several carriers. Continental
started out as one of the smaller
carriers in the United States,
known for its limited operations

Continental Airlines - Wikipedia
Continental Airlines flight 603 was a regularly scheduled flight from Los Angeles, California, to Honolulu, Hawaii. As was typical of off-season flights to Hawaii, the majority of the passengers were part of a group of retirees headed to the tropical islands for a spring vacation; among the 186 passengers booked on the flight, the average age was 60.
