A cartoonist (also comic strip creator, comic book artist, graphic novel artist, or comic book illustrator) is a visual artist who specializes in drawing cartoons (individual images) or comics (sequential images). Cartoonists include the artists who handle all aspects of the work and those who contribute only part of the production. Cartoonists may work in many formats, such as booklets, comic ...

Cartoonist - Wikipedia

Art Wood, an award-winning political cartoonist himself, collected more than 16,000 political cartoons by hundreds of the leading creators of the 'ungentlemanly art,' a phrase that is commonly used to describe this type of graphic satire. He used the word 'illustration' to describe the enormous talent and craft that went into a work of art produced to capture a moment in time.

Nast and the Civil War . In 1862 Nast joined the staff of Harper's Weekly, another very popular weekly publication. Nast began to portray Civil War scenes with great realism, using his artwork to consistently project a pro-Union attitude. A devoted follower of the Republican Party and President Lincoln, Nast, during some of the darkest times of the war, portrayed scenes of heroism, fortitude ...

Thomas Nast, Famous 19th Century Political Cartoonist

That this explanatory subtitle comes couched within a word balloon is yet another indicator that the humor is one where symbols -- of cartooning, of book design -- are manipulated until they short-circuit. The reader is intuitively making sense of elements which the artist juxtaposes against each other to reveal themselves to be nonsense.

A year and almost six months into living with the COVID-19 epidemic, Hong Kong now boasts some pretty solid milestones: 1 million people in the city have received their first vaccine dose, and—if all goes well—a travel bubble with Singapore is set to signal our slow, cautious return to travel.. Still, a sense of nihilism lingers.

These graphics capture exactly how Hong Kong feels about ...

Cartooning was considered a masculine domain—it was not decorative, it was not always pretty, it was political, and it was aggressive. But women did become cartoonists, and the suffrage movement was the impetus for their entry into this field.

Women's Suffrage and Art - Radford

Comics and illustrations also played an important role in the history of the U.S. In 1754, Benjamin Franklin created the first editorial cartoon published in an American newspaper. Franklin's cartoon was an illustration of a snake with a severed head and the printed words "Join, or Die."
