Writing ...

This book demonstrates the common quest among the world religions for a deeper and more profound spirituality. Describing the spiritual pathways of the various world religions, it assesses the ways that the beliefs, values and practices of these traditions can be life-giving, leading to personal and social responsibility and transformation, but also sometimes harmful and divisive, even used for dangerous purposes.

...

Exploring the Religions of Our World allows students to build on their understanding and experience of the Catholic Christian faith by studying different religious traditions. The text begins with a study of Judeo-Christian history, practice, and tradition before expanding to the study of other less familiar religions including Islam, Hinduism, Buddhism, Taoism, Confucianism, and Shintoism.
