Free Prep Class - Save Money | The Family Freezer  
Most freezer meals are good for at least three months, so I would make them around 32 weeks if you can. That means they'll be good for at least a month after your baby arrives and you'll be making them at a time in pregnancy when you still feel OK. I've made meals closer to my due date and it is more exhausting and requires a lot of sitting.

The best freezable family meals - BBC Good Food  
Freezer meals are, simply put, meals that you do the grunt work of assembling ahead of time, typically to be cooked (or at least reheated) at a later date. They can be as complete as a fully cooked lasagna, wrapped up for freezer storage, or as partially-done as all raw ingredients for a recipe in one container, to dump into your slow cooker on your way to work another day.

---
