Fostering Children's Social Competence: The Teachers's ...

April 24, 2017 — Mariana Boules. Drawing on her personal experience as an early childhood educator, Mariana Boules of the Australian Catholic University emphasises the vital importance of building children's social competence at a young age, and discusses the extent to which well-developed social skills can contribute to a child's academic success. Social skills are essential for every child, especially from birth to the age of five, as they lay the foundation for future life success ...

Supporting Young Children's Social Competence

Social and Emotional Competence of Children Parents support healthy social and emotional development in children when they model how to express and communicate emotions effectively, self-regulate, and make friends. A child's social and emotional competence is crucial to sound relationships with family, adults, and peers.
