The development of the literal meaning in early Islamic thought can be traced to the belief (implicit in some Muslim discussions, explicit in others) that, once established, meaning is intimately connected to an assigned sound. The Arabic verb often used to describe this relationship is *ta'alluq* — to cling to, or be attached to something. In classical legal theory, the literal meaning is a meaning the utterance/text has which may have been arbitrarily assigned originally but, once ...

Islam and Literalism: Literal Meaning and Interpretation ...

This arc of development of Islamic literalism faced two brilliant, iconoclastic challengers from the opposite side of the semantic-pragmatic spectrum: Ibn 'azm the *hir* (the 'Literalist'), an account of whose project, which can be summed up as opposition to pragmatics and expansion of semantics, is given in ch. 6, and Ibn Taymiyya, whose project is to disregard the myth of original assignment (*wa*), and along with it, the distinction between literal (*aq* *qa*) and ...

Islam and Literalism: Literal Meaning and Interpretation ...

Islam and Literalism: Literal Meaning and Interpretation in Islamic Legal Theory. Robert Gleave. In this reading of Islamic legal hermeneutics, Robert Gleave explores various competing notions of literal meaning, linked to both theological doctrine and historical developments, together with insights from modern semantic and pragmatic philosophers. Literal meaning is what a text means in itself, regardless of what its author intends to convey or the reader understands to be its message.

Islam and Literalism: Literal Meaning and Interpretation ...

As Islamic law is based on the central texts of Islam, the idea of a literal meaning that rules over human attempts to understand God's message has resulted in a series of debates amongst modern Muslim legal theorists.
