Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Exam Review contains chapter-by-chapter questions in multiple-choice formats to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas.

This revised edition is completely updated in both theory and the practice of barber-styling and brings you the latest in men's haircutting and styling, along with the most current information on barbering tools and implements. Revised using input from our current textbook users and the expertise of the National Association of Barber Boards, the textbook and corresponding supplements, also revised, are designed to better prepare your students for state licensing exams and successful careers in the professional market. A greater variety of multicultural cuts and styles are used throughout to reflect the range of clientele students may services during their professional career. Milady's Professional Barber-Styling Workbook has been written to meet the needs, interests and abilities of students receiving training in barber-styling. The workbook should be used together with Milady's Standard Textbook of Professional Barber-Styling. The workbook follows the content found in the student workbook. Students are to answer each item in the workbook with pencil after consulting their textbook for correct information. Items can be covered and/or rated during class or individual discussions, or on an independent study basis. The workbook provides detailed, interactive exercises including: fill in the blanks, word review exercises, matching tests, multiple choice tests, and reviews designed to help students learn practical procedures and eliminate faulty practices. "Word reviews" are used as study guides, for class discussions or for the teacher to assign groups of words to be used by the students in creative essays. These various tests are included to emphasize essential facts found in the textbook and to measure the student's progress. Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady's Standard Professional barbering is the primary resource for Barbering students preparing for their state licensing exam and a successful career in the professional market. It is the only textbook available that offers an integrated set of supplements to enhance the teaching and learning process. This new edition is the most stunning and versatile barbering education tool in the industry. Packed with hundreds of brand new full-color photos and procedures, students will be provided with the latest in infection control, hair replacement technologies, career preparation instruction and step-by-step shaving. Milady has been the trusted choice of Barbering educators for nearly sixty years and this new edition continues that trend with in-depth and engaging coverage of the most current topics in the profession. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Course Management Guide contains all the materials educators need in one package. Included in this bound book are lesson plans and chapter tests to help instructors find material that has been moved in the new edition of the textbook, and answer keys to the student workbook and end-of-chapter exercises.

Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.
