There is not date confirmed yet, but this is what happened with RHEL 6 exams. RHEL 7.0 was released in June 2014 and you had 9 months (until the end of February 2015) to book and sit an RHCE exam on RHEL 6. There was also an option to buy the exam voucher by that date and take the exam any time within the year. This suggests that you can expect to be able to do the RHCE exam on RHEL 7 until at least the end of 2019.
