Several statistical methods

# File Type PDF Statistical Methods In Bioinformatics

for association mapping,  
including LR as well as  
other generalised linear  
models, require the  
specification of a genetic  
model of inheritance. For  
instance, in a CA test, or  
score statistics from

# File Type PDF Statistical Methods In Bioinformatics

logistic regression, an additive model can be imposed by giving genotype weights 0, 1 and 2, depending on the number of copies of the minor allele.
