~~This long universal history of art mirrors the development of humanity. Images are closely linked to the emergence of the first belief systems, and ways of relating to each other. The First Artists assesses the discovery, history and significance of all the varied kinds of early art. Our ancestors were far from being the creatively impoverished primitives of past accounts, and Europe was by no means the only 'cradle' of art; the artistic impulse developed in the human mind wherever it ...~~

~~The first 40 days after the birth of a child offer an essential and fleeting period of rest and recovery for the new mother. Based on author Heng Ou's own postpartum experience with zuo yuezi, a set period of "confinement," in which a woman remains at home focusing on healing and bonding with her baby, The First Forty Days revives the lost art of caring for the mother after birth.~~

~~After their first success in 1878 with 'You Dirty Boy' (a sculpture commissioned from Giovanni Focardi), Pears' next venture caused outrage in the art world. By adding a bar of soap, the brand name and a new title ('Bubbles') to John Everett Millais' painting, 'A child's world', Pears called into question notions of copyright and integrity in reproductions of existing paintings.~~
