According to psychologist/author Maria Konnikova, they were thinking the same way we would. In their shoes, we'd have been saps, too. In the 1950s, linguist David Maurer called confidence men the "aristocrats of crime." Unlike most other crimes, the con requires us to become willing participants in our

*The Confidence Game: The Psychology of the Con and Why We ...*

The Confidence Game is a masterful exploration of human psychology—Konnikova uses the art of the con to explore some striking claims about kindness and cruelty, memory and reputation, the power of stories, and the very nature of the self. This is a brilliant and often unsettling book, and it leaves me with mixed feelings—I'd like everyone to read it, but at the same time, it scares me to think of it falling into the wrong hands.

The confidence game — the con — is an exercise in soft skills. Trust, sympathy, persuasion. The true con artist doesn’t force us to do anything; he makes us complicit in our own undoing. He doesn’t steal. We give. He doesn’t have to threaten us. We supply the story ourselves. We believe because we want to, not
