The Good Rat A True Story [EPUB]

A punchy, true-life story about two NYPD cops who worked as contract killers for the Mob, and the old-school career criminal who takes the stand against them (the titular "Good Rat".) Lots of guys named "Joey-the-this" and "Frankie-the-that" if you're into that sort of thing.

The Good Rat: A True Story book by Jimmy Breslin
Breslin knows how to tell a story, and is never better than recounting one about his beloved New York. This tale of mobsters and crooked cops is vintage Breslin, vintage New York. The book bogs down a little when Breslin relies on court transcripts; his writing is much better than real life. Originally posted on The Good Rat: A True Story
