"The complete technical manual and troubleshooting guide for motorhomes, travel trailers, fifth wheels, folding campers, truck campers, and vans"--Notes.

Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they ' ve lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.

Covers all aspects of RV living from selecting the right RV and towing vehicles, to basic maintenance, driving tips, and cooking on the road and includes helpful information on the different types of RVs, new products, and technology, as well as travel tips. Original. 15,000 first printing.

The Rver's Bible is the ultimate guide to living and traveling in a recreational vehicle.
