### West Indian Migration The Montserrat

Colonialism is a practice or policy of control by one people or power over other people or areas, often by establishing colonies and generally with the aim of economic dominance. In the process of colonisation, colonisers may impose their religion, language, economics, and other cultural practices. The foreign administrators rule the territory in pursuit of their interests, seeking to benefit ...

Etymology and pronunciation. The region takes its name from that of the Caribs, an ethnic group present in the Lesser Antilles and parts of adjacent South America at the time of the Spanish conquest of the Americas. The term was popularized by British cartographer Thomas Jefferys who used it in his The West-India Atlas (1773).. The two most prevalent pronunciations of "Caribbean" outside the ...
