research paper is a  
common form of  
academic writing.

Research papers  
require students  
and academics to  
locate information  
about a topic (that  
is, to conduct  
research), take a  
stand on that topic,

Where To  
Download What  
and provide  
support (or  
evidence) for that  
position in an  
organized report.
